"This product
is exactly what our sector needs!"

Caroline Bates - Head of Charity & Fundraising, Colchester Hospitals Charity

Our customers

“ Charity Checkout is exactly what our sector needs. They have provided us with everything we could possibly want when it comes to online. We now have an amazing looking website that will never become dated due to their innovative approach and a custom branded fundraising platform that puts our charity's brand at the forefront. We finally feel like we have ownership over all of our online fundraising activities. All of this comes at a price that any charity could afford. Well done Charity Checkout.”
